## REMINDERS ABOUT W, WF, I & IP GRADES *By ES Team*

Students may withdraw until the last day of the class session (Regular Term: 04/24/23). A student may receive a grade of WF (withdrawal fail) if 75% or more of graded work is past due and the student is failing.

**Confused on when to use I or IP? Here is a quick tip:**

- **In Progress (IP) grades** - When a course, seminar, or research activity is intended to last more than one semester. The IP notation is usually only given for ILE and/or APE.
- **Incomplete (I) grades** - When more than 75% of coursework is completed toward a course or a seminar. A Resolution of Incomplete Form is required prior to posting in Incomplete Grade.

**Grade definitions can be found [here](#).**
